

IKEBANA INTERNATIONAL COPENHAGEN CHAPTER #93

ANNUAL PROGRAMME 2024-2025

Dear Ikebana friends

Time is approaching for our new Ikebana season 2024-2025. We look forward to seeing you again for the new season and hope that you find the program exciting and inspiring.

The 13th-15th September, Ikebana International Copenhagen Chapter exhibits in Kulturhuset Kirkehavegaard in Allerød. It is a great opportunity to present our Ikebana flower art to the public. We very much hope that you would like to participate with your own creative events. You will receive a separate invitation for this.

We hold our meetings on the first Saturday of the month. A reminder with information and notification of registration for the meetings is sent out well in advance of each meeting. The meetings are held at 13.00-16.00 at Tokai University European Center (Tokai Centre), Vedbæk Strandvej 476, 2950 Vedbæk. At each meeting there is a demonstration for inspiration and learning. Thereafter you make your own arrangement, which is evaluated in a positive spirit by the teacher of the day. The board reserves the right to change the program.
